

البحوث المنشورة والمقبولة للنشر للفترة من 2018/1/1 ولغاية 2018/1/31

التاريخ	المجلة	اسم البحث	اسم التدريسي	ت
نيسان 2018	Medical Journal of Babylon	Increased Transforming Growth factor- $\beta$ and interleukin-17 Transcripts in Peripheral Blood of Breast Cancer patients with Different clinical stages	أ.د. وفاء سعدون شاني	1
كانون الاول 2018	Scientific journal of medical research	Evaluation of Immunization Protocol in mice injected with whole cell fraction antigen of C. albicans isolated from vaginal infections	أ.د. وفاء سعدون شاني	2
كانون الاول 2018	Scientific journal of medical research	Evaluation of Immunization Protocol in mice injected with whole cell fraction antigen of C. albicans isolated from vaginal infections	أ.م.د. انعام الربيعي	3
2018	Iraqi Journal of Science	Association of IL-10 (-592A/C) gene polymorphism with progression of type 2 diabetes mellitus in Basrah province- Iraq.	أ.د. وفاء سعدون شاني	4
ايلول 2018	Medical Journal of Babylon	Association of sFas ligand with progression of type 2 diabetes militus in Basrah province	أ.د. وفاء سعدون شاني	5
تشرين الاول 2018	International Journal of Pharmaceutical research	The possible protective effect of Carthamus tinctorius ( leaves) on antituberculosis (rifampicin and isoniazid ) drugs induced hepatotoxicity in rats.	أ.م.د. كريم هلال ثامر	6
تشرين الاول 2018	International Journal of Pharmaceutical research	The possible protective effect of Carthamus tinctorius ( leaves) on antituberculosis (rifampicin and isoniazid ) drugs induced hepatotoxicity in rats.	أ.م.د. هناء سلمان	7
نيسان 2018	Scientific journal of medical	Testicular toxic effect of lead acetate on	أ.م.د. كريم هلال ثامر	8

	research	adult male rats and the potential protective role of alcoholic extract of ginseng ( histological, histomorphometrical and physiological)		
نيسان 2018	Scientific journal of medical research	Testicular toxic effect of lead acetate on adult male rats and the potential protective role of alcoholic extract of ginseng ( histological, histomorphometrical and physiological)	أ.د. ناصر عبد علي	9
اذار 2018	Iraqi Journal of Veterinary Sciences	Cytotoxicity effect of cadmium chloride on thyroid and adrenal gland in experimental male rats ( Ratus norvegicus)	أ.م.د. كريم هلال ثامر	10
اذار 2018	MERIT research journals	Toxic effects of Lead-induced damage in liver of rats male and the role of ethanolic ginseng extract as protective agents (histological and physiological)	أ.د. ناصر عبد علي	11
اذار 2018	MERIT research journals	Toxic effects of Lead-induced damage in liver of rats male and the role of ethanolic ginseng extract as protective agents (histological and physiological)	أ.م.د. كريم هلال	12
2018	Plant Archives	Histological study of direct somatic embrogenesis in date palm cultured in vitro	ا.م.د. ايمان محمد عبد الزهرة	13
2018	Plant Archives	Histological study of direct somatic embrogenesis in date palm cultured in vitro	أ.د. عبد المنعم حسين	14
2018	Biomedical research	Immuno detection and risk assessment of Aspergillus contamination in nuts using a highly specific monoclonal antibody	د. مروان ياسين	15

2018	Biomedical research	Immuno detection and risk assessment of <i>Aspergillus</i> contamination in nuts using a highly specific monoclonal antibody	م. الاء علاء الدين	16
2018	Asian Journal of Microbiology, biotechnology and environmental sciences	Screening of antibacterial activity from <i>Aspergillus</i> species treated with synthetic antifungal agents	د. مروان ياسين	17
2018	Asian Journal of Microbiology, biotechnology and environmental sciences	Screening of antibacterial activity from <i>Aspergillus</i> species treated with synthetic antifungal agents	أ.م.د. احمد عبد برغال	18
2018	Asian Journal of Microbiology, biotechnology and environmental sciences	Screening of antibacterial activity from <i>Aspergillus</i> species treated with synthetic antifungal agents	د. عدنان الموسوي	19
2018	American journal of infectious diseases and microbiology	Optimizing a <i>Fusarium solani</i> biofilm formation protocol in vitro	د. مروان ياسين	20
2018	Biochemical systematics and Ecology <b>Thomson Reuters</b>	Isoquioline alkaloids from three Madagascan <i>crinum</i> (Amaryllidaceae) species	د. اريج حسن سليم الظاهر	21
نيسان 2018	Biochemical Systematics and Ecology Volume 77, April 2018, Pages 7-9	Isoquinoline alkaloids from three Madagascan <i>Crinum</i> (Amaryllidaceae) species	م.د. اريج حسن سليم	22
2018	Biochemical and cellular archieves	anatomical study of some species of Caryophllaceae in Iraq	أ.د. سحر الساعدي	23
2018	Gastroenterol hepatol Bed Benc	Liver histopathological alteration after repeated repeated intra-tracheal instillation	أ.د. ضمياء قاسم سكر	24

		of titanium dioxid in male rats		
2018	Journal of genetic engineering and biotechnology	Influence of cold pretreatment on shoot regeneration from callus in Date palm ( <i>phoenix dactylifera L</i> ) CV. Barhee	أ.م.د. عبد المنعم	25
