

Undergraduate Studies دراسات اولية			
Course code.	Course name	اسم المقرر	رمز المقرر
M101	Calculus 1	الفاضل والتكامل 1	101 ر
M103	Fundamental Mathematics I	اسس الرياضيات 1	103 ر
M219	Systems of axioms	انظمة بديهيات	219 ر
M221	Real analysis	تحليل حقيقي	221 ر
M201	Advance calculus	تفاضل وتكامل متقدم	201 ر
M433	Topology1	التبولوجيا 1	433 ر
M434	Topology2	التبولوجيا 2	434 ر
M215	Statistics	الاحصاء	215 ر
Postgraduate Studies دراسات عليا			
Course name		الموضوع	

الكتب المؤلفة Book publication

Book Title	Year	country	البلد	سنة النشر	اسم الكتاب

Articles / Patents

البحوث المنشورة وبراءة الاختراع

No.	Article & Patents details
1	Alsukaini Mohammed Sari , Alkreemawi Walaa khazaal, Wang xiang-jun. Asymptotic Properties of MLE in Stochastic Differential Equations with Random Effects in the Diffusion Coefficient. <i>International Journal of Contemporary Mathematical Sciences</i> , 10 , no. 6, (2015), 275 - 286.
2	Alsukaini Mohammed Sari , Alkreemawi Walaa khazaal, Wang xiang-jun. Maximum likelihood Estimation for Stochastic Differential Equations with two Random Effects in the Diffusion Coefficient. <i>Journal of Advances in Mathematics</i> , Vol. 11, No. 10 (2016), 5697-5704.
3	Mohammed Sari Alsukaini , Walaa khazaal Alkreemawi, Xiang-Jun. Estimation of parameters in stochastic differential equations with two random effects. <i>International Journal of Applied Mathematical Research</i> , 5 (2) (2016) 97-102.

4	Alsukaini Mohammed Sari , Wang Xiang-Jun, Parametric inference for stochastic differential equations with random effects in the drift coefficient. <i>International Journal of Advanced Mathematical Sciences</i> , 4 (2) (2016) 21-29
5	Alkreemawi Walaa Khazal, Alsukaini Mohammed Sari and Wang Xiang-Jun (2015). On Parameters Estimation in Stochastic Differential Equations with Additive Random Effects. <i>Journal of Advances in Mathematics</i> , 11, no.3 5018-5028
6	Alkreemawi Walaa Khazal, Alsukaini Mohammed Sari and Wang Xiang-Jun. Asymptotic Properties of MLE in Stochastic Differential Equations with Random Effects in the drift Coefficient. <i>International Journal of Engineering, Sciences and Mathematics (IJESM)</i> 5, Issue 1 (2016) 1-14.
7	Alkreemawi Walaa Khazal, Alsukaini Mohammed Sari and Wang Xiang-Jun. Asymptotic Properties of estimators in stochastic differential equations with additive random effects. <i>British journal of mathematics and computer sciences</i> , 16, no.6 (2016) 1-9.
